

DEN '73

In four years at Daingerfield High School, students accumulate many memories: homecomings, proms, elections, football games, talent shows, pep rallies, and special friendships. But the most outstanding memory of high school is the day senior rings arrive. Gone are the days of being an underclassman. Graduation waits around a corner. To a DHS'er, a senior ring is a symbol — a symbol of high school life and of achievement.

A time to be born and a time to die;
a time to plant and a time to pluck
up that which is planted; a time to
kill and a time to heal; a time to
break down and a time to build up ...

Floyd E. Sanders *1908-1972*

Shock and a deep sense of loss hit DHS on September 6 with the death of its assistant principal, Mr. Floyd Sanders. After a total of thirty-two years in education ... nineteen in the Daingerfield Public Schools, he was looking forward to his retirement this year. He will be remembered as a good friend.

In Memoriam

A time to weep and a time to laugh;
a time to mourn and a time to dance ...

A time to cast away stones, and a time to
gather stones together; a time to embrace
and a time to refrain from embracing ...

A time to get and a time to
lose; a time to keep and a
time to cast away ...

A time to rend and a time to sew;
a time to keep silence and a time
to speak ...

A time to love and a time to hate;
a time of war and a time of peace ...

In four years at Daingerfield High School, students accumulate many memories: homecomings, proms, elections, football games, talent shows, pep rallies, and special friendships. But the most outstanding memory of high school is the day senior rings arrive. Gone are the days of being an underclassman. Graduation waits around a corner. To a DHS'er, a senior ring is a symbol — a symbol of high school life and of achievement.
